

## **REMARKS**

The claims have been amended in response to the Examiner's indication that claims 9, 10 and 14 would be allowable if properly rewritten.

The limitations presented in original claims 9, 8 and 2 have been added into original claim 1, the Examiner having indicated claim 9 to be allowable. Dependent claims 4-7, 10-13 and 15 now depend from this allowable claim.

The limitations of original claim 1 have been added to original claim 14, the Examiner having indicated claim 14 to be allowable. New dependent claims 17-24 have been added, all dependent on allowable claim 14. Claims 17-24 are similar to original claims 2-6, 8, 12 and 13, respectively.

The claims now comprise three independent claims 1, 14 and 16 which have been indicated to be allowable as now presented, and seventeen dependent claims.

It is respectfully submitted that all the claims as presented are patentable, on the basis of the above remarks, and reconsideration and subsequent passage for allowance is hereby requested.

Respectfully submitted,

Thomas C. Saitta, Reg. No. 32102
